ManufacturerMillipore

Description

High-performance, tangential flow filtration (TFF) system ideally suited for process development at volumes from 50 to 1000 mL; process scale-up assisted by built-in controls, and sample preparation. The Labscale TFF System can be operated in either concentration or continuous diafiltration modes.

Comes with our 90-day warranty.

Biotech Equipment Sales, Inc., has been based in South San Francisco, the Biotech capital of the world, since 2009. We are dedicated to bringing high-quality pre-owned laboratory instrumentation to our scientific community.
