Description

Inverted Microscope with Objectives: 4x, 10x, 20x, 20x

Designed to eliminate the complexities of microscopy, the EVOS XL Core system captures high-quality brightfield cell images right at your benchtop within a minute. It's the perfect instrument for monitoring cell cultures, either within a hood or in your cell culture room.

Comes with our 90-day warranty.

Biotech Equipment Sales, Inc., based in South San Francisco, the Biotech capital of the world, since 2009. We are dedicated to bringing high-quality pre-owned laboratory instrumentation to our scientific community.
