### Description

#### Integra Viaflo 50 µl Single Channel Electronic Pipettor

Integra Viaflo electronic pipettors are ultra-lightweight pipettors with superb balance, intuitive touchscreen controls, and modes like aspiration, dispense, purge, and multi-step custom programs for reduced strain during prolonged use. They use proprietary snap-on tips that lock securely, ensure alignment, and minimize loading force for reliable, reproducible results.

This model is:

Max volume: 50 µl

Channel type: Single

*Comes with our 90-day warranty.*
