Description

Mettler Toledo ME4001E is a robust, entry-level precision balance from the ME series, designed for reliable everyday weighing in laboratories, education, and industrial settings. It offers essential functionality with a solid metal base for durability and straightforward operation.

Key Features:
Capacity & Readability: 4200 g maximum capacity with 0.1 g (100 mg) readability.
Display & Operation: Bright, clear LCD display with simple menu navigation and basic operation keys for fast, intuitive use.
Adjustment: External calibration/adjustment for accuracy and traceability.
Connectivity: 1 x RS232 interface for data transfer to printers or computers.
Design: Solid metal base, stainless steel weighing pan, overload protection, and level indicator for stable performance. Supports applications like weighing, piece counting, percent weighing, and more.

This balance emphasizes reliability, ease of use, and value for routine tasks.

Comes with our 90-day warranty.

Biotech Equipment Sales, Inc.: based in South San Francisco, the Biotech capital of the world, since 2009. We are dedicated to bringing high-quality pre-owned laboratory instrumentation to our scientific community.
